PROFESSIONAL EMPLOYMENT

QUICK BASE

Implementation Engineer

2019 TO PRESENT
Salt Lake City, Utah

- Analyze business objectives and proactively engage customers from planning to application building, and deployment to end user adoption.
- Develop strategic relationships as a trusted advisor for small and mid-size businesses.
- Drive continued value with on-site visits to actively ensure customers' success and implementation of their app and determine the best approach to leverage and maximize new apps.

LARADA SCIENCES

Technical Manager

2013 TO 2018
Murray, UT

- Assisted in building a client portal using PHP with Laravel to store training modules, best practices, facilitate order automation and monthly reporting.
- Created BI dashboards of automated reports using dynamic HTML for board meetings and FDDs.
- Converted 195 units as a licensing chain to a franchise in 2017 and developed new partners that included opening 50-80 new clinics each year. (Travelled 25% - 50%).
- Built 300+ clinic directory landing pages using HTML, CSS, JS, and jQuery.
- Improved front-end UI to build 100+ digital marketing HTML pages for PPC and YouTube campaigns.

ALLIANCE HEALTH NETWORKS

Project Manager / Business Intelligence

2012 TO 2013
Salt Lake City, UT

- Managed 10 developers from the BI and monetization teams and improved reporting with Tableau.
- Promoted ongoing communication via stand-ups and agile development for business owners.
- Supported build out of HTML landing pages, surveys, triggered send forms, email marketing campaigns, and lead generation for Bayer, Flexpen, Synvisc, Uloric, Lantus, Humira, and Lifescan.

ACADEMIC ACHIEVEMENT

CERTIFICATE SOFTWARE DEVELOPMENT

Davis Technical College August 2020

CERTIFICATE WEB DEVELOPMENT
